

AFL INTERNATIONAL CUP
WELCOME TO THE WORLD OF AFL
AUGUST 12 - 27, 2011

Message from New Zealand High Commissioner

May I offer my best wishes to the New Zealand men's and women's teams participating in the 2011 International AFL Cup in August in Sydney and Melbourne.

Australian football is developing its presence in New Zealand and has experienced an increase in junior participation in recent years. There have been some successful New Zealand players in the AFL and one day a New Zealand team may be part of that league.

Unfortunately due to previous commitments, I will be unable to see you and your teams in action, but would like to wish you all well and every success in the tournament.

Martyn Dunne, CNZM
High Commissioner for New Zealand
