

AFL INTERNATIONAL CUP
WELCOME TO THE WORLD OF AFL
AUGUST 12 - 27, 2011

Message from the Swedish Ambassador

I would like to extend my best wishes to the Swedish team participating in the 2011 AFL International Cup and to wish them success in this tournament.

The Swedish National team - The Swedish Elks - is an experienced team and they will make their second appearance in the International Cup after a successful debut at the International Cup in 2008.

The Elks come well prepared and will give their best and I am sure they will be well supported by the large Swedish communities in Sydney and Melbourne.

If Australia wants to promote this kind of football in Sweden, you should of course give the Swedish team a nice advantage. A Swedish success will certainly increase the interest in Sweden for this sport!

Heja Sverige!

Sven-Olof Petersson
Ambassador of Sweden
